

July 2008

To the members of the  
Rotary Club of Haifa-Moriah, Israel

Dear Fellow Rotarians:

Congratulations to you on your club's 25<sup>th</sup> anniversary.

25 years ago, your club's charter members felt that Rotary's ideal of service to the community was worthy and credible, and for this reason they laid the foundation for a Rotary club in Haifa. Today, your club is part of a vast international network of community volunteers and business and professional people. This year, many of you are focused on running projects that reduce the child mortality rate throughout the world. Remember, together there is no limit to what we can accomplish.

We must provide hope and a chance at a future for all children, both in our local communities and in communities far away, because without Rotary, every day children's needs are going unmet. This is why I am asking you to use the knowledge you have acquired in recent years working with water, health and hunger, and literacy to do the most good we can to improve the lives of children around the globe, and inspire other Rotarians to do the same.

As you celebrate this important milestone in your club's history, remember to continue developing projects that make sure children have clean water, improved overall health, and the opportunity to go to school. We must work together, one club with another, to do what is needed

Please join me this year in ***Making Dreams Real*** by beginning to turn safe and happy childhoods into long and healthy lives.

Sincerely,

D.K. Lee  
President, 2008-09
